

Sky Scrapin'
Written by John Pineau

Went away
Knew we'd play
Back up
Clear day

About face
Fly above
Move with wind
And shove

Sky scrapin'
Adrenalin crush
Buckle up
And fly with me

Sky scrapin'
Another day
Buckle up
And smile with me

Move through trees
Lakes and streams
Shore of seas
Sun gleams

All alone
Beneath the clouds
Above stone
With sounds

Sky scrapin'
Adrenalin crush
Buckle up
And fly with me

Sky scrapin'
Another day
Buckle up
And smile with me

Water flows
Strikes the sky
Time froze
You and I

Maybe we're here
Still can be
Doubt disappears
You and me

Sky scrapin'
Adrenalin crush
Buckle up
And fly with me

Sky scrapin'
Another day
Buckle up
And smile with me

Sky scrapin'
Adrenalin crush
Buckle up
Smile with me
Buckle up
And smile with me
